| 4 | Q. Okay. Just don't use it much? | 4 | Q. Did it include all of the prior ACET clients? |
| 5 | A. No, we don't have a reception. | 5 | A. As far as I can we can remember because the |

| 7 | A. It's still there, yes. | 7 | different requirements so they can pay when they pay |
| 8 | Q. Okay. Also, did you move over a couple of | 8 | us, they will pay to Windspeed Trading, not ACET Global. |
| 9 | ACET chairs for the foyer? | 9 | So all of those are new. |
| 10 | A. Yes. | 10 | Q. Okay. But did you when you made the new |

| 18 | Q. Did you move over the ACET water cooler? | 18 | A. No. |
| 19 | A. Yes. | 19 | Q. Did you |
| 20 | Q. Did you move over the ACET folding machine? | 20 | A. We have |
| 21 | A. Yes. | 21 | Q create a new list? |
| 22 | Q. Did you move over the ACET software? | 22 | A. We have different supplier than ACET Global. |
| 23 | A. No. The software was under different name, | 23 | We bought a lot of things from suppliers in the U.S., |
| 24 | and I pay for it afterwards. | 24 | not just from China. |
| 25 | Q. I'm sorry. Could you explain that? | 25 | Q. Okay. But back in 2018, when you formed |
| | Page 59 | | Page 61 |
| 1 | A. There was only one software we used that | 1 | Windspeed and transferred over to Windspeed, did did |
| 2 | that we take order, and I have to use Windspeed | 2 | Windspeed use ACET's supplier list? |
| 3 | Trading's name in order for us to receive order. So | 3 | A. No. |
| 4 | that's the only software. | 4 | Q. Did it use its did Windspeed use ACET's |
| 5 | Q. Okay. | 5 | pricing and cost information? |
| 6 | A. Now, in the other software, there could be, | 6 | A. No. |
| 7 | like, Word or Excel or whatever. I pay for those | 7 | Q. But Windspeed used ACET's CEO desk, correct? |
| 8 | licenses afterwards. | 8 | A. Yes. |
| 9 | Q. Okay. So did you did you, like, shift | 9 | Q. And it used CE it used ACET's CEO chair, |
| 10 | those the software over to the new company and | 10 | correct? |
| 11 | A. No. | 11 | A. For a little while, yes. |
| 12 | Q put it in the new company's name? | 12 | Q. And it used ACET's conference table, correct? |
| 13 | A. I pay for I paid for new license for those | 13 | A. Yes. |
| 14 | softwares. | 14 | Q. Did it use ACET's sales data? |
| 15 | Q. Okay. Did you | 15 | A. Yes. |
| 16 | A. Under different name. | 16 | Q. Did it use ACET's marketing data? |
| 10 | Q. Okay. So you're saying we use you used or | 17 | A. No. |
| 17 | brought over the ACET microwave, correct? | 18 | Q. Did it use ACET's pricing and cost |
| 18 | | l | information? |
| | A. Yes. | 19 | |
| 18 | A. Yes.Q. And you brought over the ACET water cooler? | 19 20 | A. No. |
| 18 19 | | | |
| 18 19 20 | Q. And you brought over the ACET water cooler? | 20 | A. No. |
| 18 19 20 21 | Q. And you brought over the ACET water cooler?A. Yes.Q. And you used Windspeed used the folding machine ACET's folding machine, correct? | 20 21 | A. No.Q. But it used ACET's it used ACET's desks, |
| 18 19 20 21 22 | Q. And you brought over the ACET water cooler?A. Yes.Q. And you used Windspeed used the folding | 20 21 22 | A. No. Q. But it used ACET's it used ACET's desks, correct? |

| 1 | Page 62 | | Page 64 |
|--|---|--|--|
| 1 | A. Some of them. Most of them were broken. | 1 | Q. Okay. Mr. Szeto, there you mentioned |
| 2 | Q. (BY MR. FREEMAN) And it used ACET's warehouse | 2 | that that Windspeed did not did not use ACET |
| 3 | desk, right? | 3 | Global's supplier list; is that correct? |
| 4 | A. Yes. | 4 | A. Yes. |
| 5 | Q. Did it use ACET's trademarks? | 5 | Q. Who is in charge of your inventory system? |
| 6 | A. No. | 6 | A. Dana in charge of the inventory system. |
| 7 | Q. Did it use ACET's logos? | 7 | Q. And what's her last name? |
| 8 | A. No. | 8 | A. Thompson Thomason [sic]. You already |
| 9 | Q. Did it use the URL koolulu, K-O-O? | 9 | talked to her a couple days ago. |
| 10 | A. No. | 10 | Q. Correct. And when I talked to her, if Dana |
| 11 | Q L-U-L-U.com? | 11 | Tomerlin told me that you, in fact, did use ACET |
| 12 | A. No. | 12 | Global's supplier list, would she be lying? |
| 13 | Q. Did it use the URL luluway, L-U-L-U-W-A-Y | 13 | MS. HARD-WILSON: Objection, form. |
| 14 | .com? | 14 | A. She might not know for sure which one is |
| 15 | A. No. | 15 | which. |
| 16 | Q. Did it transfer over ACET Global's QuickBooks? | 16 | Q. (BY MR. FREEMAN) Okay. If she told me that |
| 17 | A. No. | 17 | Windspeed did indeed use ACET Global's pricing and cost |
| 18 19 | Q. So it never got its QuickBooks mixed up with old ACET financial data? | 18 | information, would she be incorrect? |
| 20 | | 19 20 | A. Yes, she would be incorrect. |
| 21 | A. We have the old ACET Global QuickBook for the financial data, yes, we did. But we bought a new copy | 21 | Q. Okay. |
| 22 | of ACET of QuickBook for ourself. So, at one point | 22 | A. The reason is very simple. ACET Global used exclusively air ship, which is about 30 times higher |
| 23 | in time, we were keeping two sets of books. That means | 23 | than sea ship. And everything we used in Windspeed |
| 24 | we have to have two sets of QuickBooks. | 24 | Trading was sea ship, and so our pricing is |
| 25 | Q. Okay. So you kept two sets of books? | 25 | completely different. |
| | Ç | | |
| | Page 63 | | Page 65 |
| 1 | A. Yes. | 1 | Q. Okay. We're talking about Dana, your |
| 2 | Q. Do you rely on one of those sets of books? | 2 | employee. Is actually Dana Tomerlin? |
| 3 | A. Well, I rely on both sets of books. | 3 | A. Yes. |
| 4 | Q. Okay. Those two sets of books were different? | 4 | Q. Does that sound correct? Okay. |
| 5 | A. Yes. | 5 | Okay. So you mentioned something there. |
| 6 | Q. And you said | 6 | Does Windspeed have a relationship with Ship Station? |
| 7 | A. One is for Windspeed Trading, and one is for | 7 | A. Yes. Ship Station is the software we use. |
| 8 | the old ACET Global. Yeah, there are two sets of books. | 8 | Q. Okay. Is that the that's the inventory |
| 9 | Q. Okay. So you set up the accounting department | 9 | software? |
| 10 | to keep two sets of books? | 10 | A. No. |
| 11 | A. Yes. | 11 | Q. What is that? |
| 10 | | 12 | A. Ship Station is just a software system that |
| 12 | Q. And did you instruct Jane Lynn to keep two | 1 | |
| 13 | sets of books? | 13 | accepts orders from the other marketplaces, and it will |
| 13 14 | sets of books? A. Yes, until the end of January. | 13 14 | accepts orders from the other marketplaces, and it will tell us who order what. |
| 13 14 15 | sets of books? A. Yes, until the end of January. Q. January when? | 13 14 15 | accepts orders from the other marketplaces, and it will tell us who order what. Q. Okay. |

| 4 | A. It is Ship Station, but it's a Ship Station | 4 | else? |
| 5 | exclusively for ACET Global. | 5 | A. No. |
| 6 | Q. Okay. And how is it different than the one | 6 | Q. Have you discussed any of the subject matter |

| 18 19 | Q. Okay. Have you ever dealt with SG Credit Partners? | 18 19 | A. It was a nice day, and that was it. |
| 20 | A. Not that I know of. I just close my office | 20 | Q. What else did you do that day? A. What I do? |

| 13 14 | A. Nothing. Basically it's about us supporting it ourself and no subject matter discussion at all. | 13 | Q. Yes. That sounds about right. So that probably puts us, what do you think, August? |
| 15 | Q. And why did you not discuss any of the subject | 14 | |

| 4 | with Alex Godinez? | 4 | us, and I assume that they need to know that. And so it |
| 5 | A. No. I I don't do that. | 5 | is an important issue, so they were informed that there |

| 16 | difficult to say whether I like him or not. I dealt | 16 | Q. Did you talk about Windspeed? |
| 17 | with him in a business sense, and he was very good. | 17 | A. We talk about well, the reason we call was |
| 18 | Q. Did you enjoy talking with him? | 18 | because Windspeed so we did not talk about Windspeed |

| 11 | Q. Right. So if you but if you had a | 11 | Q. Did you talk about how Windspeed was |
| 12 | conversation with him for a period of time, it's generally going to be about an important business issue? | 12 | performing? |
| 13 | A. No. We did not have any important business | 13 | A. Not that I can remember to tell him how |

| 18 | A. I would say in general, yes, but we do not | 18 | about Windspeed. |
| 19 | have an important issue to talk about for a long, long | 19 | Q. Okay. And you haven't talked to Alex Godinez |

| 12 | Q. Okay. Was Alex on the phone at the same time | 12 | Q. Where was he going to lunch? |
| 13 | too? | 13 | A. We went to lunch once so often, and we were |
| 14 | A. I believe he was on the phone with me at the | 14 | just joking around. But the main thing was about that |
| 15 | same time when I talked to Steve. | 15 | letter. |

| 4 | | 4 | Q. Why didn't y'all end up going? |

Page 170 Page 172 1 Q. Is that because those are the only ones that 1 Q. I want to go back to the exhibit that was on 2 anybody had told you about? 2 your screen, Exhibit 27, the wind-down plan. I'll go to 3 A. That's the only one that people came up to my 3 the second page here, which is a Time Line and Cost For 4 office and say, You owe me money. 4 Wind-Down Only. That's the title. Do you see that, 5 Q. You mean those -- that's a list of creditors 5 sir? 6 who came to your office and demanded payment? 6 A. Yes. 7 A. Yes. 7 Q. Is that correct? 8 8 Q. Is that how you decided whether or not to pay A. Yes. 9 Q. Okay. And if you'll look at the -- I'll try 9 10 A. No, but that is the list that I was told we 10 and make it a little bigger, but I think you can see 11 owe money to. 11 that fairly easily. Can you see that? 12 Q. Who told you that? 12 A. Yes. A. Well, whoever came to my office. Let's say, 13 13 Q. Let's look at the left-hand side of this. So 14 for example, like, FedEx, give me an invoice of 14 it says, "Listing all outstanding debts and credits." 15 \$82,527.13, and FedEx told me that. 15 We covered how important it was to make sure you had a 16 Q. Okay. Who kept track of what ACET Global 16 full list of that, correct? 17 owed? 17 A. Well, which one you reading? 18 A. Who kept track of what ACET Global owes? 18 Q. I'm looking on the left-hand side, and let's 19 Q. Yes, sir. 19 go down to the second -- the second one here. "Settle A. I don't believe that at that time -- before on all accounts which must be paid prior to closing." 20 20 A. Yes. Jane's employment, an accounting girl named Sarah, she 21 2.1 22 keep track of most of those. And the some of the other 22 O. What does that mean? 23 one, like the bill from the law firm, I get a letter 23 MS. HARD-WILSON: Objection, form. 2.4 from them saying that you owe me this. And that's what 2.4 A. There may be some accounts that we may want to I kept track of, but -- and that's how we kept track of 25 pay off. Now, the reason why I do that, there's an 25 Page 171 Page 173 1 it. 1 account in here that's listed called Pet Life, LLC. We 2 Q. Okay. Who gave you the spreadsheet that kept 2 bought stuff from them, and they're a very small 3 track of it? 3 company. And I did not want them to -- out of \$3,000. 4 A. I made one up. 4 So I want to settle that account so we can pay them and 5 5 Q. Just based on -- based on what? not to cost them to close because I owe \$3,000. They 6 A. Based on invoices and requests and what I 6 will be closed down. 7 know, yes. Those are what I base off of. 7 Q. (BY MR. FREEMAN) Got it. So close the account but not the company? 8 Q. Okay. Did you have to rely on any person to 8 9 give you that list? 9 A. Not the company. So I was trying to help this 10 A. No. 10 particular account. 11 Q. You just went around and found documents? 11 Q. Got it. So let's go down to the next one. 12 A. Document came to me either through mail, 12 There's a salary accrual for Bill. Is that you? regular mail or invoices. I do not have to depend on 13 13 A. That's me. 14 anybody to give me that list. Q. The company owed you some money? 14 15 Q. But you were never told that ACET Global owed 15 A. Yes. 16 Tomer Damti any money? 16 Q. Very important --17 A. No. 17 A. Paycheck. 18 MR. PERRIN: Objection, form. 18 Q. Very important that if the company owes you 19 A. No. 19 money that you get paid, right? Q. (BY MR. FREEMAN) Did you ever hear anyone 2.0 20 A. Absolutely. 21 talk about ACET Global owing Tomer Damti money? 2.1 Q. All right. It says, "Arrange for last two 22 2.2 payroll checks"; is that correct? Q. And did you ever see anyone writing about ACET 23 23 A. Yes. 24 Global owing Tomer Damti money? 24 Q. Next one says, "Pay Bill's credit card"; is 25 A. No. 25 that correct?

Page 174 Page 176 1 A. Yes. 1 a garage? 2 Q. And company owes you money; very important you 2 A. Yes. 3 get your money, right? 3 Q. Okay. The next line here says, "Price 4 A. Well, I did get my money for -- to pay the DHL 4 inventory which can be sold or transferred"; is that 5 off, but --5 correct? Q. So it owed you some money? A. Yes. 6 6 7 7 A. They owe me some money, so they -- well, I O. What does that mean? 8 8 don't remember whether they pay off or not but --MR. PERRIN: Objection, form. 9 9 Q. You wanted to try to make sure you --A. Well, that means we have to go through all the 10 A. I wanted to try to pay off, and I can tell you 10 inventory that we have in the warehouse, try to figure 11 one thing. For example, the last two payroll checks, it 11 out a couple of things. There are some that -- some 12 12 inventory that Tomer bought that cannot be sold didn't happen. 13 Q. Got it. The next one says, "Reserve for one 13 whatsoever. It cannot meet the U.S. standard 14 month's rent." The next one says, "Perform last 14 requirements. He bought a bunch, for example, hair 15 inventory prior to closing"; is that correct? 15 driers that absolutely would not meet the U.S. standard, 16 A. Yes. 16 and end up have to cut the cord off. 17 Q. And why did you need to do a last inventory? 17 There are a whole bunch of other things, 18 A. Well, I do inventory just about every month so 18 like a bunch of bath bombs that he bought that were 19 I would like to do a last inventory, make sure we know 19 completely outdated and had to be thrown away. There's 20 what we have. Plus, the fact there are a lot of -- I 20 a whole bunch of other things that you cannot sell them. 2.1 21 For example, like overdue lipsticks that had to be wouldn't say a lot, but there is a bunch of inventory 22 that Tomer had bought that he had hidden that in some 22 thrown away. 23 employee's garage. And those were not in the inventory. 23 O. (BY MR. FREEMAN) So it was all Tomer's fault, 2.4 Q. So there were things that were --2.4 wasn't it? 25 25 (Simultaneous speakers.) A. Hey, I did not say that. Page 175 Page 177 1 A. Huh? 1 Q. Okay. Well, now, I want to understand how 2 Q. There was even more inventory than was on the 2 this is all relevant to my question because I'm asking 3 list? 3 about a line item for pricing inventory that can be sold 4 A. For example, we have in here Emmanuel 4 or transferred, and you're telling me all about assets 5 5 Industrial Company, the \$20,000. It was not in the that you say can't be sold or transferred. 6 6 inventory. A. Well, whatever is left can be sold and 7 (Simultaneous speakers.) 7 transferred. So in order to find --8 Q. (BY MR. FREEMAN) So there was a bunch more 8 (Simultaneous speakers.) 9 inventory than was on the list? 9 MR. PERRIN: Let the witness answer, 10 A. There were --10 please. Go ahead, Mr. Szeto. 11 MR. PERRIN: Objection, form. 11 A. Is somebody talking? 12 A. -- and we added that back in. He bought a 12 Q. (BY MR. FREEMAN) I think it's your turn. 13 bunch of what I call the laughing monkeys, and that was 13 A. Is it my turn? For me to figure out how much 14 hidden in an employee's garage. And that was -- you 14 of this inventory can be sold, I had to go through the 15 know, and he took -- she took it back. It was in 15 inventory and figure that out. So that is what the 16 Paula's garage, and Paula took it back -- after Tomer 16 \$3,000 is for. 17 left, and there was a bunch of inventory that I need to 17 Q. Okay. And this was all to make sure you could 18 update. And there's a bunch of other inventory that we 18 keep the company running, right? 19 did not know about that show back up. So yes, we need 19 A. Yes. to do the last inventory and we did. So it wasn't 2.0 20 Q. And the next line item is "Return or terminate 21 included in the last inventory. 21 all office machine lease agreements"; is that correct? 22 Q. (BY MR. FREEMAN) It wasn't because the 22 23 company was closing, right? 23 Q. Why was that important to keep the company 2.4 A. No. It was because it was hidden. 24 25 Q. It was because Tomer hid a bunch of monkeys in 25 A. Because that is mainly -- there were two

Page 222 Page 224 1 A. No. 1 But do we need software or do we need anything Q. Did Windspeed have an inventory system? 2 2 sophisticated to keep track of inventory? I don't 3 A. No, not really. We eventually -- I think last 3 4 year, we bought an inventory system, but we find out it 4 Q. (BY MR. FREEMAN) Okay. Was there a computer 5 was not useful for the way inventory work. Then we 5 that y'all used to keep the inventory on? cancel that this year. But, no, we do not have an 6 6 A. No. The computer was not used to keep the 7 7 inventory system. Paula is responsible for the inventory data. The computer, basically, is used to 8 8 inventory, so she use the spreadsheets. other applications, more like what other computers do, 9 9 Q. Okay. You said the way your inventory system but not for -- not for the inventory data. 10 worked. What do you mean by that? 10 Q. So if Dana Tomerlin had testified in her 11 A. Well, we have -- it used to be we have --11 deposition that Windspeed took over the same computer 12 maybe we bought 500 units of X, and then we start 12 that ACET had used for its inventory, she would be 13 13 selling three at a time, ten at a time. So every day, 14 we had to subtract that from the inventory so we know 14 MR. PERRIN: Objection, form. 15 exactly how many we have left. Because what we didn't 15 A. No. They used the computer to enter -- like, 16 want to have happen is that we sell all our inventory 16 after they counted up 435, they used the computer to 17 and we are very close to selling out, and we forget to 17 enter that information to that spreadsheet so it's not 18 buy them. And buying new inventory sometimes takes 18 wrong. 19 19 months, not days, because they have to be shipped from Q. (BY MR. FREEMAN) Okay. This is like tomato, 20 China. That was one of the problems that we used to 20 tomato, I think, because I'm asking was that same 21 have was that everything was shipped by air, so it takes computer that was used at ACET to keep track of 21 22 about a week. We cannot afford to do that, so 22 inventory, was that computer used by Windspeed? 23 everything was shipped by sea. And by the time we get 23 A. Well, you can ask the question, but I can tell 2.4 them, it will be at least two months before it get here. 24 you that we do not use the computer to count how many 25 So we have to watch the inventory very closely and make 25 items I have. We still take the item down on the floor, Page 225 Page 223 1 1 sure that we don't run out. So every day we have and they count them, one, two, three, four, five, and account for inventory, especially items that were 2 2 then say, "We have 125 left. Somebody enter that into 3 3 selling fast. that computer." Now, is that computer-assisted? Well, 4 Q. Okay. But y'all just do that manually? 4 it depends on the definition of computer-assisted. But 5 5 A. We all do that manually. Like, one, two, the computer did not count them. 6 three, four, something like that. 6 Q. Got it. Did a human being that worked at 7 7 Q. How did Tomer do it when he was at ACET? Windspeed type in the inventory count into a spreadsheet 8 8 A. I cannot tell you how Tomer do it. on a computer that Windspeed used? 9 Q. Did he use a more sophisticated inventory 9 A. Yes. 10 system? 10 Q. And was that computer the same one that ACET 11 A. I cannot tell you how he did it, and -- so I 11 had used? 12 12 cannot answer that question. A. I assume it is. I cannot tell you for sure. Q. When you came on and took over as CEO in 13 13 Q. Wasn't it, in fact, the same computer that 14 Dana, a human being, punched in the numbers on when she 14 February of 2018, what kind of inventory software system 15 15 were they running? worked at ACET? 16 16 A. There wasn't any, that I know of. A. I assume that she did use the same computer, 17 Q. Okay. As CEO, isn't that something you 17 and I cannot tell you for sure. 18 would -- you'd look at closely? 18 Q. Okay. Mr. Szeto, I know that you are not 19 A. I looked at it, but not closely. 19 tired at all --2.0 Q. If you were really intending to make sure this 20 A. You mean you are tired? 21 business did well, it succeeded, wouldn't you want to 21 Q. I know you don't need a break, but I need a 22 know how the inventory system worked? 22 short one 23 MR. PERRIN: Objection, form. 23 A. Okay. 2.4 MS. HARD-WILSON: Objection, form. 24 Q. | 7 | Q. And William Szeto? | 7 | A. I remember being involved in the process. And |
| 8 | A. Yes. | 8 | I think Alexander was involved with that process for me, |
| 9 | Q. And that's you, right? | 9 | and I really do not remember who else was involved. |
| 10 | A. I supposed to work late, too. | 10 | Q. Okay. Now, do you remember who drafted the |
| 11 | Q. What's that? | 11 | Amended and Restated Company Agreement for Windspeed? |
| 12 | A. Yes. | 12 | A. I do not remember. |
| 13 | Q. That's you, correct, sir? | 13 | Q. Okay. But you did sign that document, |
| 14 | A. Yes. | 14 | correct? |
| 15 | Q. And then to Alexander Szeto? | 15 | A. Well, I think that when they finally said it's |
| 16 | A. Yes. | 16 | ready to sign, yes, I did sign. |
| 17 | Q. Okay. And the subject line says, | 17 | Q. Okay. And who is "they"? |
| 18 | "Windspeed-revised WPA and Warrant"; is that correct? | 18 | A. I forget who said it was ready to be signed. |
| 19 | A. Yes. | 19 | I think Alexander did say, yeah, it's ready to go, and I |
| 20 | Q. Do you remember do you know what the "WPA" | 20 | signed it, yes. |
| 21 | is? | 21 | Q. Okay. And does this this document I'm |
| 22 | A. Not exactly, but | 22 | placing on your screen, it's Exhibit 43. Do you see |

| 2 | And if you look at her signature line, does it say that | 2 | an email from Matt Denegre? |
| 3 | she's a shareholder in Hallett & Perrin, PC? | 3 | A. Yes. |
| 4 | A. Yes. | 4 | Q. Dated October 17th, 2018? |
| 5 | Q. Okay. And does her email say, "Attached are | 5 | A. Yes. |
| 6 | documents of the warrant purchase agreement and the | 6 | Q. To Steve Bellah? |
| 7 | warrant revised to reflect the changes of all parties"? | 7 | A. Yes. |
| 8 | A. Yes, that's what the email says. | 8 | Q. CC'ing Alex Godinez and Tony Ludlow? |
| _ | Q. And then does it say, "The redlines compare | 9 | A. Yes. |
| 10 | these versions to the Versions H&P, circulated earlier | 10 | Q. Subject line "Windspeed A&R Company |

| 12 | A. Yes. | 12 | A. Okay. |
| 13 | Q. And do you understand "H&P" to refer to | 13 | Q. Attachments listed, Version 1, Windspeed |
| 14 | Hallett & Perrin? | 14 | Trading, LLC A&R Company Agreement; is that correct? |
| 15 | A. I assume it is. | 15 | A. Yes. |
| 16 | Q. Okay. And if you look down at the bottom | 16 | Q. And do you know who drafted the attachment? |
| 17 | where it reflects the attachments to her email, does it | 17 | A. I don't remember. |
| 18 | attach does it reflect an attachment called | 18 | Q. So the attachment is with the email here. And |
| 19 | "Windspeed Warrant Purchase Agreement"? A. Yes. | 19 | if you'll look in the top right-hand corner, does it say, "H&P draft 10/17/18"? |
| 20 | | 20 | |
| 21 | Q. And does it appear to reflect Version 3 of | 21 | A. Yes, but I — on the date down below, it |
| 22 23 | that document? A. Uh-huh. | 22 | didn't have a date put down. So I don't know exactly what date that is. |
| 24 | Q. And then is there also another document that | 23 | Q. Okay. Any reason to believe that the date |

Are you something of 2 that reflects H&P draft 10/17/18, that that's incorrect? 3 A. I do not know. 3 an expert in warrants? 4 Q. Okay. And do you know what "H&P" stands for? A. No, I'm not an expert in anything. 5 5 Q. Okay. Where did you get your understanding of A. I do not know for sure. Q. Do you think that it stands for Hallett & 6 6 how warrants work? 7 Perrin? A. I do not know for sure how it works, and I'm 8 8 A. I assume that is what it is, but I cannot tell not ready to explain it. 9 9 you for sure. Q. Okay. Do you understand them at all, truly? 10 10 Q. Okay. Why did you set the company up with MR. PERRIN: Objection, form. 11 warrants? Why did you set Windspeed up with warrants? 11 A. I understand some of it, but I do not 12 12 A. I don't know exactly why. And I was hoping to understand all. 13 13 set it up with warrants that I can get further Q. (BY MR. FREEMAN) Okay. But your 14 investment into the company. And I have done that 14 understanding is that by these people -- by Baymark 15 before with other startup that I started, and I thought 15 Partners Management, LLC and Super G Capital, LLC 16 that it would work out real well. So I did that for 16 holding warrants, that you can later tell them how much 17 17 they're going to buy their membership interest for? 18 18 MR. PERRIN: Objection, form. Now, it didn't work this time because I 19 19 was hoping for additional investment. It didn't work, A. I do not, at that moment, have any idea what 20 20 so -- I did set it up, but how much the warrant will that really mean until I have to come across it. And, 21 eventually cost and would sell and whatever depend on no, I do not know what it really mean at that time. 21 22 how successful we are at that time. So it's something I 22 Q. (BY MR. FREEMAN) Okay. Is it possible that 23 23 don't know for sure at that point. And I just thought Baymark Partners Management, LLC was the one who wanted that maybe I do that that way, I can get some additional 24 it to be warrants? 2.4 25 25 A. No. Baymark Management, LLC have no investments. Page 263 Page 265 1 Q. Could it also depend on how much it cost to 1 involvement whatsoever in the start-up of Windspeed 2 exercise that warrant? 2 Trading. They did not give me any -- any advice or 3 3 direction as to which way it should go. So they did not A. Exactly. 4 4 Q. Okay. tell me what this really mean. 5 A. Well, that cost is depending on how successful 5 Q. Were they pretty upset when you forced them to 6 6 take these warrants? the company is. 7 7 Q. Okay. Who requested that it be set up with MS. HARD-WILSON: Objection, form. 8 warrants? 8 A. If they were upset, I sure cannot tell. 9 9 Q. (BY MR. FREEMAN) Okay. Did Super G want A. I did. 1.0 Q. Okay. What is a "warrant"? 10 warrants? 11 A. A warrant is basically a right to sell stocks 11 A. Well, let me put it this way. When I 12 12 suggested warrants, nobody seems to object. So whether they want warrant or they don't want warrant, nobody say 13 Q. Okay. So just entitles the holder to buy 13 14 anything. stock? 14 15 15 Q. Okay. A. Okay? 16 Q. Okay. And why did you want it done this way? 16 17 17 A. Well, I want it done this way so I could get Q. Is it possible Baymark wanted a warrant so 18 the flexibility whether if I want to sell it or not, or 18 that its interest in the company could be hidden? 19 how much I want to sell it for. 19 MR. PERRIN: Objection, form. MS. HARD-WILSON: Objection, form. 20 Q. And how does a warrant give you the right to 20 21 decide how much you sell it for? 21 A. Let me put it this way. Baymark did not 22 A. It depend on the success of the company. 22 participate in any of those conversations, nor do I know 23 Q. So you get to decide later how much you're 23 exactly what they want. 24 going to sell it to the warrant holders for? 24 Q. (BY MR. FREEMAN) They didn't have -- did they 25 MR. PERRIN: Objection, form. 25 have any involvement in drafting the warrant agreements?

| 17 | Q. You were not involved in any of the | 17 | question effectively. |

| 19 | A. Depending on what you mean "negotiations." | 19 | correct? |
| 20 | Q. About the warrants. | 20 | A. I assume that it did, but I don't remember for |
| 21 | A. No. There was very little negotiation of | 21 | sure, either. |
| 22 | warrant. We put it down on paper. Everybody seems | 22 | Q. Okay. But it was sent to you by Julie Smith, |
| 23 | happy happy with it, and that was it. There was no | 23 | shareholder at Hallett & Perrin? |
| 24 | negotiation as such. I did object to the 40/40/20, and | 24 | A. Yes, I assume that she did send it to me. |
| 25 | it didn't go very far, and that was the end of it. | 25 | Q. Okay. Can you see from the email and confirm? |

| 1 | Q. Okay. Well, I'm showing you, Mr. Szeto, | 1 | A. I would confirm it based on the email, yes. |

| 6 | Q. (BY MR. FREEMAN) And does this appear to be | 6 | that Super G and Baymark held? |

| 8 | A. Yes. | 8 | price. |
| 9 | Q. Is it to Steve Bellah? | 9 | Q. Okay. Is there a reason that Super G and |
| 10 | A. Yes. | 10 | Baymark Partners are listed in this document together? |
| 11 | Q. And Alex Godinez and Tony Ludlow? | 11 | A. I do not know why they are listed in this |
| 12 | A. Uh-huh. | 12 | document together. And so I cannot answer that |
| 13 | Q. Okay. And the subject line reads, "Windspeed | 13 | question either. |

| 15 16 | | 15 16 | Partners, LLC? |
| 17 | Q. And there appear to be two attachments, one of them titled "Windspeed Warrant Purchase Agreement, | 17 | A. I do not know why they were listed together, and so I cannot answer that question. |

| 20 | A. Yes. | 20 | of the document, it's Bates labeled BP006466, there's a defined term here of "exercise price"; is that correct? |
| 21 | Q. And does it say, "Steve, attached is the | 21 | A. Yes. |
| 22 | revised draft of the WPA"? | 22 | A. res. Q. Okay. And if you read this, "Referring to the |

| 24 | O UKAV AND DOWN DEIOW and we we care this | | |

| 4 | the exercise price of the warrants is \$100? | 4 | Q. (BY MR. FREEMAN) Did the execution of this |
| 5 | MS. HARD-WILSON: Objection, form. | 5 | document require the parties to sign an Amended and |
| 6 | A. I assume it is. | 6 | Restated Company Agreement? |
| 7 | Q. (BY MR. FREEMAN) Even without seeing this | 7 | A. I forgot when it was signed. And I assume |
| 8 | document, wasn't it your understanding that the exercise | 8 | that one time or the other I signed it and when it |
| 9 | price for the warrants was a nominal amount? | 9 | was ready to be signed. So I really cannot tell you |
| 10 | A. Without the dates and all the other pertinent | 10 | when it was signed and how it was signed. As far as I |
| 11 | information, I look at that price as just a suggestion. | 11 | know, it was signed. |
| 12 | To me, it is not a genuine executed document. And, yes, | 12 | Q. Okay. But it appears that from Paragraph 3 |
| 13 | I understand the price, \$100 or 250 per one percent. I | 13 | here, I have that this is on your screen that the |
| 14 | don't know what that really mean in the real world. | 14 | parties would have to agree to sign an Amended and |
| 15 | Q. Doesn't that feel a little bit cheap for all | 15 | Restated Company Agreement; is that correct? |
